

Behaviours that indicate the college has a strong vs. weak interest in offering scholarship to player

strong interest

- Head coach has travelled to watch you play
- Itinerary has been developed for your visit
- Players in the team make you feel welcome
- College has paid for you to fly out on an official visit

- On a visit but no itinerary developed for you
- Regular and consistent communication with the head coach
- Players on the team aren't invested in taking to you on the visit

- No visit offer • Only communicated with assistant coach

weak interest
